Thanks to mom, Mev and I are pretty free from housework.

Then, one day.

Well,
I've done this before but...

...mom helps with lots of housework.

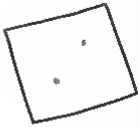
What a nice mother in law.

I just borrowed Mev's hanky once and at that time and I wiped my runny nose. These are all Mev's hankies.

I had some work that
I needed to finish so...

But soon she decided to wash them with her hands.

I wondered where she was so I went to the bathroom to see what she was doing



Then she found some bogeys were still on some hankies.

She thought for a few seconds about what she would do.

...mom did the laundry instead of me.
A while later.

The washing machine had finished its job.
